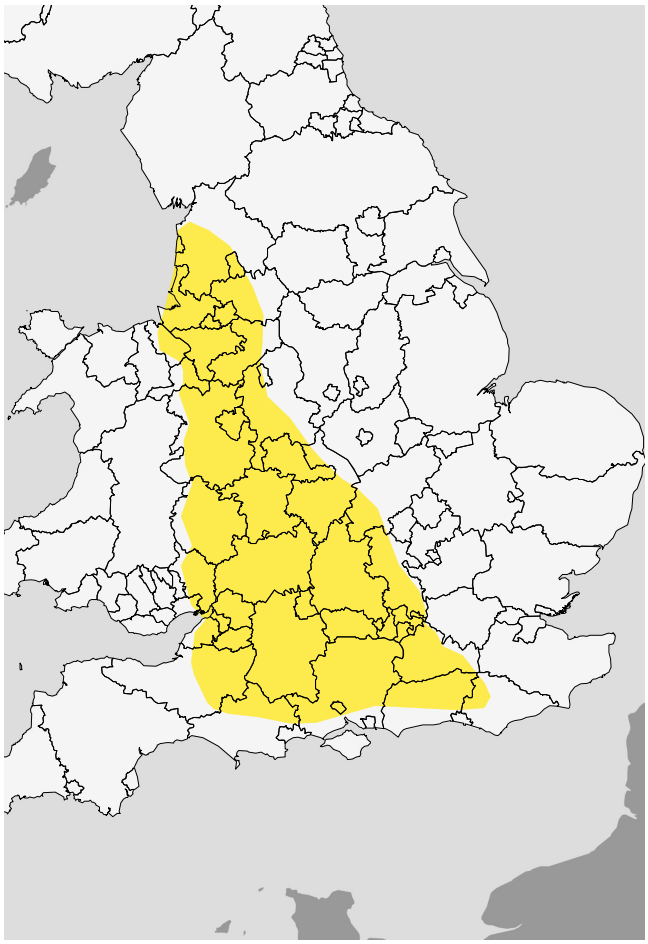
Yellow warning
Fog

Between
00:15 Thu 28 Nov 2024 and
11:00 Thu 28 Nov 2024



Patchy fog will result in difficult driving conditions in places during Thursday morning.

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

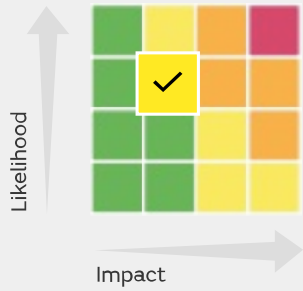
Further details

Patches of fog will continue to form with the visibility in some places falling below 100 metres. With temperatures also below freezing, icy patches will be an additional hazard on untreated surfaces.

Fog will thin and clear from most places later in the morning.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, leaving extra journey time, or amending plans if necessary.



Medium likelihood of low impacts

Issued at 21:24 Wed 27 Nov, 2024 Updated at 04:04 Thu 28 Nov, 2024

Yellow warning
Fog

Between
00:15 Thu 28 Nov 2024 and
11:00 Thu 28 Nov 2024

Further Details (continued)

Make sure you know how to switch on your fog lights, and check they are working before setting off on your journey. Bus and train services, as well as flights and ferry travel, may also be affected; check for updates from your travel company, and follow their advice.

Be prepared for weather warnings to change: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.

Reason for update

Warning extended into more of south-east England and by an extra hour.
